Host or Donate to our Toy Drive

Drop-off Dates: Now - Dec. 4th by 3pm

Unfortunately, many of the children served by The CAC will not experience the joy of the season without your support. Providing gifts to our children is one way we can ease the trauma of sexual abuse. Last December, we helped provide holiday gifts to more than 2,000 children receiving services. If you are interested in donating a new, unwrapped toy or hosting a toy drive on our behalf, please feel free to contact Tramesha Richard or visit our website for more information.
