

# THE CHILDREN'S ASSESSMENT CENTER

## 2019-2020 SCHOOL SUPPLY DRIVE

The Children's Assessment Center

Did you know that in your midst is a wonderful organization that is helping children and families recover from abuse? The Children's Assessment Center (CAC), provides a safe haven for sexually abused children – a place where they can receive the specialized care and treatment they deserve. We implement an extraordinarily effective multi-disciplinary team approach for the prevention, investigation, referral for prosecution and treatment of child sexual abuse. Our goal is to promote the complete healing of child victims and their families. The CAC is one of the largest advocacy centers in the nation. Since 2000, The CAC has provided services to over 52,000 sexually abused children in our community.

### How you can help:

Every year, The Children's Assessment Center provides backpacks for children filled with supplies for their grade level, as well as a uniform to help prepare for the new school year. To assist with the cost, we ask the community for their help in donating school supplies as well as backpacks. You can donate individually, or host a supply drive at your office, church or school benefiting this cause.

### Important Dates:

We ask that if you wish to make a donation that you please drop off all donations by **July 26, 2019** just in time for our Back to School Party! You can email any of the following people with your questions or drop-off details:
