2024 CAC Human Trafficking Awareness Day *Press Conference*

January is National Human Trafficking Awareness Month. The Children's Assessment Center (The CAC) is hosting our Annual CAC Human Trafficking Awareness Day on **Thursday, January 4th**.

January brings hope for new beginnings to us all, and increased awareness of the epidemic of human trafficking here in the U.S.. Our hope at The CAC is that during this month, we can unite individuals and organizations to help increase awareness, support survivors of trafficking, and, through a coordinated, collaborative approach, STOP trafficking.
