Who We Are

The Children's Assessment Center (The CAC) provides a safe haven to sexually abused children and their families – a place where they can receive the kind of care and treatment they so richly deserve.

Mission of The CAC

The *mission* of The CAC is to provide a professional, compassionate and coordinated approach to the treatment of sexually abused children and their families and to serve as an advocate for all children in our community.

The CAC benefits child sexual abuse victims and their families by offering the following services:

Family
Advocacy &
Victim Support

Forensic
Interview
Services

Mental
Health
Services

Medical
Services

Sexual abuse spares no race, ethnicity, nationality, or socio-economic group. Sexual abuse is often covered by a veil of secrecy and silence, which, in turn, perpetuates the cycle and enables the abuse to continue. There are an estimated 39 million adult survivors of child sexual abuse in America today.

We served
6,123
children and
families in 2023.
